INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jistine Turner and William D. Grover, who also prepared these introductory remarks.

General Claim Agency,

John L. Springston,

Vian, Oklahoma, July 8th, 1909. 190

The Hon. Clerk of the U. S.
Court of Claims,

Sir:

In the matter of application #III03, of T. B. Cornelius, as
grdn of Zoe & Leonard McClanahan, miners, for shares in the emigrant
fund, and in which case the notice of June 10th makes the impression
that one of the miners has been left off the roll or in some way
overlooked or omitted from identification in the notice--

And in view of that fact, see the grdn in reply, and making a
request of the Court for the recognition of both said his wards--

In the case, formal application was made for both said minors,
Zoe & Leonard McClanahan, in May 1907, and the grdn wishes to be sure
of their enrollment--

The notice referred to only gives one name, that of Zoe, and
omits that of Leonard--nor does it contain the roll # as appears in
other, similar, notices--

Please see that their entry and record is made full and correct.

And oblige,

Respectfully,

J. L. Springston

Appli. # 1103. of T. B. Cornelius grdn for Zee & Leonard
McClanahan.

Vian, Oklahoma, July 8th, 1909.

Mr. Guion Miller,

Emigrant Commissioner,

Sir:

Notice has been received by one of my wards ⁱⁿ reference to ~~the~~
your action in the case for emigrant shares-- date June 10, inst;
and addressed to Joe instead of Zee the proper and correct name--

I am the guardian for the children miners in this case, and their
names are Zee & Leonard McClanahan, respectively,--

My application was made on the 29th day of May, 1907.

I refer to the case in view of the way, ~~the~~ and only one name seems to
be refered to in the notice, when the two miners were included in the
application---so that no slip may occur in the allowance--

And in view of the apparent discrepancy, I ask that I be noti-
fied as to recognition of both children in the approved roll, or
whether Leonard has been overlooked or no--so the error can be corrected
or amended---

It is my duty as grdn of said minors to so do, hence my de-
sire to do my duty, and secure for my wards their dues in the premises.

Very respectfully,

T. B. Cornelius

grdn.

The same being incomplete, however, I return it to you for amendment. By consulting Application #11.103 you will find that there are two minor children instead of one, as you have it on this notification:- Zoe Mc.Clanahan, age 14, and Leonard Mc.CLANAHAN, age 10.

You have also left their roll number blank.

I enclose herewith your letter so that if there has been a clerical error, the same can be adjusted and another sent me in its place.

If not an error please return this notification and instruct me as to the other minor, Leonard Mc.CLANAHAN whose name does not appear upon it, he being a brother to Zoe.

Sir,- I appeal and solicit your favor;
which I presume you will grant.

Mother and I are here, she is getting
up in years and I am a cripple and
I get short of a full crop and am
destitute of grain and forage. We are
both Cherokee Indians as previous
records show and as we are entitled to
participate in the disbursement of the funds
appropriated the Eastern Band Cherokee.

I shall not make this known as
I deem this a private letter and I hope
you can or can make my request good in
some way.

I desire and request you to deduct out

of our parata-shares, the sum of \$5000
each; total amounting to \$10000 and because
the suit is decided in our favor and each
individual's share will exceed the suit
that I ask for; as I and Mother absolutely need
the money to carry us through this summer
I shall regard it a great favor if you
make my request possible. For we are
in a critical condition at the present.
If this be granted I shall not reveal
the source it came. as it may create
annoyance.

Hoping a favor granted me.
respectfully,

**SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,
EASTERN CHEROKEE ENROLLMENT,
601 OURAY BUILDING,
WASHINGTON, D. C.**

Sir:

Replying to your letter of recent date relative to the Eastern Cherokee enrollment, you are advised that since filing my report of May 28, 1909, with the Court of Claims, the matter has passed entirely beyond my control.

My report sets forth why, in my opinion, the claims admitted should be admitted and those rejected should be rejected. The matter now rests with the Court and the only way that my decision can be reviewed is by filing exceptions in accordance with the order of the Court of June 10, 1909.

No blank forms will be furnished for the filing of these exceptions.

Under the order of the Court of Claims of April 29, 1907, it was necessary for claimants to file an application prior to August 31, 1907, and to prove that they were Eastern Cherokee Indians by blood, descended from Indians who were recognized parties to the Treaties of 1835-6, and 1846, and to further prove that they were not Old Settler Cherokees, and that they, or their immediate ancestors, had not since the Treaty of 1846 affiliated with any tribe or band of Indians other than the Cherokee Nation.

The application about which inquiry is made in your letter was rejected because the claimant failed to bring himself within these requirements.

Very respectfully,

GUION MILLER,

Special Commissioner.

John D. Mumblehead,

Sir:

Replying to your letter of July 29, 1909, you are advised that the reason your wife was not enrolled with you was because she failed to file an application, as each adult claimant was required to do.

The fact that you mentioned her in your application is not sufficient for her claim.

The matter is now out of my hands, but if you wish to take any action in the matter you will have to file exceptions to my report to the Court of Claims before August 30, 1909. The inclosed circular will furnish you with the information necessary to file exceptions.

Very respectfully,

Special Commissioner.

Dear Sir:

It is with the greatest pleasure in writing you a few lines this morning to let you know that I am well at the present time, and I hope you are the same as usual.

Hon. Francis C. Leupp I have been thinking about you a few questions for some time.

Although you may have heard from me before.

But most of these questions will be about my claims.

B.

And I have been wondering whether
I could get you to tell me all you
can about these claims which we
Eastern Band of Cherokee Indians.

Whether there is any lawers are trying
to keep us from getting it.

Or is there some who is trying to
have white people in our claims.

The reason why I ask you these
questions Hon. Francis E. Leupp?

I have heard so many things
about from these people.

Of course I could not believe either
one of them.

But you had on each one
these application blanks.

So Hon. Francis E. Leupp. In

SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,

601 OURAY BUILDING,
WASHINGTON, D. C.

Sir:

Replying to your request for a blank application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, you are advised that under the order of the Court of April 29, 1907, all applications were required to be filed on or before August 31, 1907.

It is therefore now too late to file applications except on behalf of minor children, persons of unsound mind, or persons under some other legal disability.

Very respectfully,

GUION MILLER,

Special Commissioner.

William M. Whipporwill,
Cherokee,
North Carolina.

Sir:

Your letter of February 28, 1910, is at hand, and in reply you are advised that I cannot tell just when the Eastern Cherokee fund will be distributed, but I hope that it may be done within sixty days. I would not care, however, for you to tell others this as I really cannot tell positively when the payment will be begun.

You ask something about the timber money payment. I am sorry that I cannot give you any information in regard to that, as I have nothing whatever to do with the timber money payment, and I do not know when that money will be distributed.

Very respectfully,

Special Commissioner.

Cherokee, N. C.
Feb. 28 1910.

Mr. Edwin Miller,
Special Commissioner,
601 Oway Building

D. C.

Sir:

It is with the greatest pleasure in writing you
afew lines this ^{evening} to let you know that I am well at present
time, and I hope your family you had when I was
up there are same way.

"Well, Mr. Miller, I want to ask you afew questions
this evening while I have time, and I know these ques-
tions will not be too hard for you to ansure. them all
and I will try not to ask you to many questions
for this time.

I am also, going to ask you these questions
for my owne good, and I hope it will not hurt your
filling in any way.

That is for you to have any one to ask you about

Specially when any one is asking you something about the emparnt things that is worth ^{whats} asking about the things that is worth asking one what is worth knowing

Bill, Guion Miller, what can you tell ^{me} about my clame? are you still having trouble with them yet.

it by Miller I thank you ever so much about coming home. and I also thank every body that was in your of fice when I was up there. specially the fellow brought us down to the train that same evening.

Now Miller dont let this letter make you think heard of me, about me asking you about my clame.

Asimply want to know about my part, and no body - and of course some people has been asking to write to you, and find out how their clame was.

then Miller what may me ask you about the clams I heard the peope turning so much about their clame.

Of course I just kept ever thing to my ^{self} about what you told me when I was up there,

So I thought it would be good thing for me to write to you and find ow my self, while I have time to do ^{any} ^{thing} ^{at} ^{all} ^{for} ^{my} ^{self} when I want to,

And can you tell me any ^{thing} about it and of course you know your self that I have already taken some of ^{it} up when I was there, to come on.

So I thought I would ask you when I could get what's left, and you know how much I took in, and as agreed to let you take out of my clame, and that agreement will be carried out by you and myself.

Und as I said before if there was any chenees you letting me know what you can, and what you think you could tell me when you ansure this letter.

Und also wonder if I could int^{get} you to tell me ^{how} soon will it be^{for} I can get the rest of it or is their chance of you getting your part out of it and send the rest of ^{it} to me.

That is if you think you can do that, or please ^{all} me thing that you have to do yet befor you can that.

Or as I said in beginning my lette I hope that I havent asked you about any thing that was too hard for you to give an ansure, and to make you think hard of me in any way.

Und if you think what ever you tell me, ought to keep ever thing to my self.

If you is I would be very glad to do so, and if you dont I am willing to do any thing for you down here in part of the country.

Well I won't like to see my letter I want to ask you a few more questions.

And please don't forget what I said and I ask you simply ^{just} something for our good, and of course it is out of my business.

Of course I don't like ^{to} make any complaints about this man that's down here taking ^{charge} of the Indian Training School, Cherokee, North Carolina.

But the first thing I do I am going to ask you a few things about this man, which I think you know him if I was to give you his name before I go any further in this letter.

And I think he goes by the name of Frank Kyselka and as you said when I was there that you gave Harris ^{order} to pay the timber money out to the Cherokee Indians that is the Eastern band of Cherokee Indians, and the money was not ^{paid} out until Mr. Kyselka came in, and I ^{very} ^{sorry} ^{to} say that Mr. Kyselka is doing just about like Mr. Harris done ^{to} the use.

But Mr. Kyselka says that after the council gave him orders to pay the timber money out to the Cherokee Indians, and after acted up on the bills about paying the money ^{out} and passed on it, after the company pays And according to what I understand that he told the

That he was ~~not~~ going to pay the timber money out until he had orders from you ~~or~~ from some one from up there.

And according to what I understand that he told the council that he was going to pay the timber money out until he had orders from the special commissioners of Indian affairs.

Well, now Miller, I believe we as Eastern band of Cherokee Indians ought to have Mr. ~~Miller~~ to have that money pay out, as usual when they.

And I think it would be good thing for me to write to you and find out my self wheather he go to have orders from you before he can pay-off, or not.

I am vexed over my letter want to ask you afire again about some of these Indians.

That some of old Cherokee Indians who are not able to work are to pay their taxes or to pay for their tax bill every year, and chife knows that him self,

I believe both of these fellows are sometimes working against Indians in stead of helping out, they both work against.

And as I said ~~to~~ while ~~was~~ telling you,

6.
And I believe when you was down here your self, you would think that some of these Indians were down here you think that Indians were needing money beed enough.

As I said befor that some of Cherokeees are not able to work for living, and there never has been enough works going on to ~~them~~ all going.

So you see how it is, and I have seen the chife and Mr. Kyselka time ore two, when the chife would stand around and tell Kyselka that some of the Indian told him that was ent able to pay their tax bills unless she would their money pay out to tell them.

Ore until he payed the timber money to them while they needed money well as he did;

And you cant say that the eastern band of Cherokee cant work or would ent work.

Because Indian in this state works when they are able to work.

I also understand that he has been promising Indians special time to pay out ore to pay off, and when the time as they said that they would pay off, I was told that they would put it off till some other time and they keepon put it off.

So you see what Mr. Kyselka and the ^{chife} of the eastern band of Cherokee Indian are do.

And they bothe agree to pay the council men off and also understand that they promise to pay timber money out right after they pay off the council men.

So you can see your self if you was to come down durm spring time and summer working out on their own frame until we have our coops gathered.

And if there is any thing that I can do for you I would be glad to do any thing for you and for any one that is in your office working with you.

Or if there is any of though people that was in your office when I was up there, I would be very glad to any thing for them, also.

Will, Mr. Guron Mills, I will now close my letter for this time, hoping to hear from you soon.

And do ansure this letter soon as you can.

Dear sir:- In reply to this letter will say- My mother's father was named Oo-squal-lah-gi-tee-skee, To english this would be or sound like taking a Cat fish out of the water. It is some times englished as Paunch. Hs children were named Polly, Dick, and Jennie (my mother) These were minors in 1834-5 and removed to this country with him.

My mother was the youngest and was about ten when they removed out here in 1839. My mother first married a man by name of Alex Mc-Ferson, and had a son by name of Robert Mc-Ferson and is enrolled as A-daw-al-han, on the roll, which is his indian name. an older brother is also enrolled with he and my mother, by the ~~name~~ name of Ah-tle-daw, also my uncle is enrolled with them by name of Dick or, (Tee-kee.) which is the last

name in the family. This is in (Tahlequah District) on the 52 roll. The reason my name does not appear with them is, (So stated by mother) "That my father went and enrolled me in an other place and drew my money. I was shown my name on the roll once but am not sure what district it was in but think it was Tahlequah, My mother and father never lived together, but he took this advantage of her and drew my money at that time. I think my name was enrolled with a family of Hubbards, but I am unable to say just what their manes are.

My Grand Father had another wife before my Grand Mother, and had two daughters by her one by the name of Da-kee or Ta-kee and one by the Alsie, or El-cie, or Elsy. I do not know the name of the first wife. I hope that this will assist you in getting the case straightened out.

HOUSE OF REPRESENTATIVES

WASHINGTON

March 13, 1908.

Hon. James R. Garfield,

Secretary of the Interior Department,

Washington, D.C.

Dear Sir:

I inclose a letter from Dixon B. Reed, Pensacola, Florida that explains itself. Will you kindly furnish me with the information he desires.

Thanking you in advance, I have the honor to be,

Very truly yours,

A handwritten signature in cursive script, appearing to read "M. C. 3rd District of Florida".

App. No. 11171.

March 16, 1908.

Honorable W. B. Lamar,
House of Representatives,
Washington, D. C.

Sir:

I have the honor to acknowledge receipt, by reference from the Honorable Secretary of the Interior, your letter to him of March 13, 1908, inclosing a communication to you from Mr. Dixon B. Reed, of Pensacola, Florida, relative to the Eastern Cherokee enrollment.

In reply permit me to say that Mr. Reed appears to be misinformed as to the status of this enrollment, and also as to the persons entitled to participate in the distribution of the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees.

In the first place no rights to lands are involved in the investigation I am conducting. In the second place, as you will see from the abstract of the Decrees of the Court of Claims inclosed, only those claimants who can show that they are Eastern Cherokees by blood, descended from parties to the Treaties between the Eastern Cherokees and the United States of 1835-6 or 1846, are entitled to share in the distribution of said fund.

#2--Hon. W. B. Lamar:

From the statements contained in Mr. Reed's application, and from testimony taken at Pensacola, it seems clear that he is a Creek Indian by descent, and not an Eastern Cherokee.

As to the date of the distribution of the fund, it is impossible at this time to give any definite information. When this office has completed the examination of the applications, grouped them into families, compared them with the rolls and in many cases where the applications and other proof are insufficient taken testimony in the field, the roll will be submitted to the Court of Claims for its approval, when time will be allowed for the filing of exceptions. If many exceptions should be filed a further investigation may have to be made, and until the Court has disposed of these exceptions and the final roll has been approved by the Court no money can be distributed.

As there are over 44,000 applications on file in this office it will necessarily take considerable time to complete this work.

Mr. Reed's letter is returned, herewith.

Very respectfully,

Special Commissioner.

Madam:-

Replying to your letter of July 18, 1907, you are advised that it is not necessary for claimants to employ attorneys to represent them in this matter, unless their cases are very complicated.

The applications have not yet been taken up for final consideration, as the Court of Claims in its order of April 29, 1907, extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 30,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in

#2--Mrs. J. G. Shuttleworth:

Matilda Schoonover being first duly sworn, deposes and says:

I am 57 years of age. I have been here 28 years. I am a white woman and am making no claim through myself. This claim is for my husband. His name was David Bales. He has been dead 12 years and he was 59 years of age at the time of his death. My husband was born in Arkansas. He got his Indian blood through his mother, Tinsey Jane Craig. She married Bales. She came from Red Clay, Tenn. in about 1831. My husband got no Indian blood through his father. None of my husband's people were enrolled in 1851. They were all born in Arkansas. That is the reason they were not enrolled. My understanding is that people who lived in Arkansas were not enrolled. I am not on the Dawes Commission roll nor is my husband. My children are not enrolled by the Dawes Commission.

Washington, D. C.,

Dear sir:

In reply to yours of the 10th of the last month in regard to my claim for share in the Eastern Emigrant Claims per the application of # 11198, I will say in reply that after very careful inquiry I found that there was no one who was living at this time who were living at that time and that no one can furnish me the information that you desire.

All of my aunts and uncles died before I was born and of course I cant give you any personal account of them and the people that knew them are not living now and as I have no way of finding out cant give you any information in regard to them.

resp'.

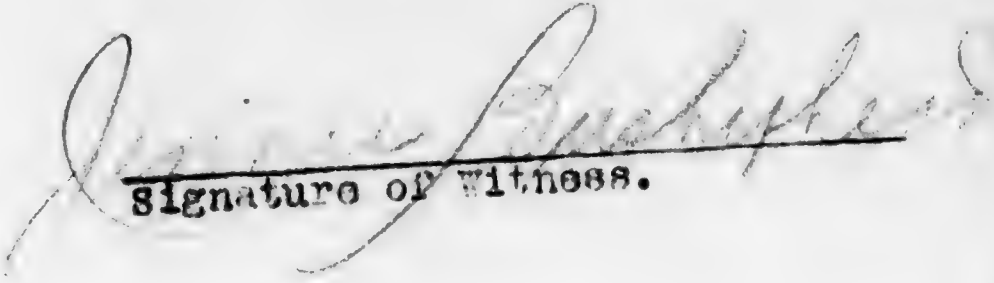

Albert Sourjohn.

APP. No. 11188

Jennie Bushyhead being first duly sworn through John Israel, interpreter, in behalf of Albert Sour-john, deposes and says:

I am 75 years of age. I was born in Illinois District. I am an Old Settler. I know Albert Sour-john. His mother was an Old Settler but his father was an Emigrant. Oo-gah-sit-tah was the name of Albert's father. I think he was living in 1851. I don't know whether he drew money in 1851 or not. I know that Albert's father was an Emigrant. He was born in Delaware District. Both of Oo-gah-sit-tah's parents were Emigrants. I don't know the name of applicant's grandfather. Never saw him. I don't know whether he was living in 1851 or not. Ail-sey was the name of the applicant's grandmother on his father's side and she lived in Canadian District. She died there. Albert's grandparents lived in Delaware District before ~~xxxxxxx~~ they lived in Canadian. I don't know whether applicant's grandparents were married or not but they lived together. I don't know of any brothers and sisters that Oo-gah-sit-tah had. Oo-gah-sit-tah had a wife named Wa-key. They had a child but I don't know the name. (See ~~xxxxxxx~~ Del. 1017)

Edward Walkingstick, being first duly sworn, deposes and says, in behalf of Sarah Choo-wee.

I have known Sarah Choo-wee ever since the year 1862; I am 59 years old. I knew the father of Sarah Choo-wee, Soo-uh-skee or Fisher. It is my opinion that they came to this country with the Emigrants, that is, the father of Sarah Choo-wee. The mother of Sarah Choo-wee was a white woman and her father was a full-blood Cherokee. The general reputation of Sarah Choo-wee was that of an Emigrant Cherokee. I never heard of her getting any Old Settler money. I think that her father was probably enrolled in either Going Snake District or Flint in 1851: They lived right on the dividing line. I live about six miles from Sarah Choo-wee and I was raised about seven miles from her and I have been a position to know her well.
